Illinois Association for School, College and University Staffing Summer 2009

## PRESIDENT'S MESSAGE

Greetings, IASCUS Colleagues!

It is hard to believe the summer here and all are busy planning for the 2009-10 school year. September is right around the corner. As you know this means the IASCUS Fall Conference is near!

We have an outstanding agenda for the Fall 2009 Conference with several informative sessions. The first session, *Future of Recruitment Panel*, will include HR representatives from K-12 school districts as well as college/university career service professionals. We will also have sessions on best practices from recruitment in the corporate world, certification through online programs (University of Phoenix), and legal issues in education. Our final session will be our popular job-alike session.

Please join us for the **IASCUS Fall Conference, September 24 & 25, 2009** at The Hampton Inn located in Aurora, Illinois. We look forward to seeing you!

Please be sure to bring one or two topics of importance to our popular Job Alike session.

See you in September!

Dr. Barry M. Reilly  
IASCUS President
